Re: New U.S. Patent Application  
entitled METHOD AND APPARATUS FOR  
PRODUCING, CONTROLLING AND DISPLAYING MENUS  
Our Docket: 1143.1001

Dear Gordon:

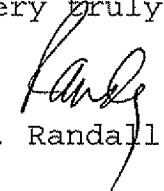

Following is a draft of the above-identified application. Please review the draft and provide your comments as soon as possible. Please remember that this is your patent application and you need to be satisfied that everything is correct and understandable. Please do not hesitate to make revisions such that you are comfortable with the description.

We need a clean copy of the pseudocode that was forwarded by your facsimile of May 19, 1995. Can you forward one by express courier? Please note the typographical error in test line 14.

I believe D. Lewis, A. Jones and P. Bruxton have indicated an interest in reviewing this first draft. Please provide copies to them.

We look forward to hearing from you soon.

Very truly yours,

  
J. Randall Beckers
